Reg # 21-1786

Pro-Cert Organic Systems Ltd. (Pro-Cert) hereby confirms that the input(s) listed below, and in the attached Approved Input Summary, may be used in the production and/or processing of organic products in compliance with the requirements of the **Canadian Organic Standards (COS) Organic Production Systems Permitted Substances Lists (CAN/CGSB-32.311-2015)**. This confirms that the input(s) so listed are produced in compliance with respect to the annotations regarding the production of the input(s). Note that this approval does not waive the requirement for operators to comply with any restrictions on use as required by the standards and annotations for input use listed therein. Operators wishing to include approved input(s) in their organic production plan should consult with their certification body and obtain approval for use prior to any application of the input.

Inputs Approved for Organic Use:
